The accident and death of the boy at Point Lookout, an account of which appears in this issue, should be a lesson to our boys. Never, no never, tie a rope attached to an animal to your body or limbs. You cannot afford to risk your life in this way. How many of these accidents are recorded in the course of a year, yet how few seem to realize the great risk taken in the foolish move.

Sciatica Cured After Twenty Years of Torture.

For more than twenty years Mr J B Massey, of 3322 Clinton St., Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has effected a permanent cure. If troubled with sciatica or rheumatism why not try a 25-cent bottle of Pain Balm and see for yourself how quickly it relieves the pain. For sale by Riter Bros Drug Store

BOY DROWNED IN CANAL.

Falls From Foot Bridge and is Found Two and One-half Miles Down the Stream.

Donovan, age 5 years and 6 months, the baby boy of Mr. and Mrs. J. S. Cantwell living southwest of this city, was drowned in the canal adjoining this city on the west Thursday afternoon of this week. His sisters, aged 7 and 9, went to get the horses across the canal at 2 p. m. Thursday afternoon, unbeknown to their parents, Donovan also followed, his sisters forbidding him to do so. They, however, permitted him to go as far as the foot bridge and he with his dog remained on this side. The girls found the horses and took them to the stable in a few minutes. From the house an older son saw the boy cross and recross the bridge. When the girls arrived at the house the mother asked for her son. They said they left him at the bridge. Mr. Cantwell and others began searching for the boy and after several hours inspection of the water and going up and down the banks of the stream no trace of the missing boy could be found. Mr. Drew, the ditch-rider, turned off the water but as it takes 11 hours to dry the ditch the water subsided very slowly. No trace of the boy could be found up to 10 p. m. On their way to town they met a rescuing party, composed of a number of our prominent citizens, who were supplied with lanterns, nets, boots and various necessary equipment. The search was continued all night. At 12 p. m. the water had gone down some and the rescuers waded the ditch and for two and one-half miles diligently hunted for the body. At 2:40 a m yesterday morning the body was located within 200 yards from where the canal empties in to Salt Creek. Drs Francke and Green did all in their power to restore him to life but their efforts were in vain. The rescuing party then made a hammock and laid the boy on it and formed a funeral procession bringing him back to his home and parents who were grief-stricken and heartbroken over the affair. The community is shocked by the sad news.

Mr. and Mrs. Cantwell have resided in this city for about one year coming here from Millville, Cache Co. They have a host of friends who sympathize with them in this sad bereavement.

In behalf of the bereaved parents and family, we were requested to express thanks and appreciation to all those who so kindly assisted them in any way in rescuing the body; also for the expressions of sympathy in the hour of trouble.

Just one and one-half years ago Mr. and Mrs. Cantwell had the misfortune of losing their 10-year old daughter, Sarah. At that time they shared and endured the sorrow almost alone, being away from friends and neighbors. They informed us that the kind treatment and sympathies manifested during this last bereavement was a marked contrast compared to the sad affair of eighteen months ago.

Arrangements are being made to hold the funeral services at their former home in Millville, Cache Co., Monday.

At the Garland Amusement Hall to-day an Elders' reunion and farewell social is being given in honor of Elder O. L. Wilcox who leaves Tuesday, May 22, for a mission to Australia. A program is being carried out and refreshments served. To-night a grand ball will be given and the public is cordially invited to be present at the social and dance.
